dentuvo® GO

...because

ONE SMILE
IS NEVER ENOUGH

Dentuvo Go is ideal for patients who want a spare set of dentures for travel, emergencies, or everyday confidence. Recommend it at the first appointment or offer it anytime; it's fast, easy, and adds value to your practice.

Manufactured by ALS Dental

The smart way to offer your patients extra comfort

Give your patients peace of mind with Dentuvo Go, which provides a direct reprint of their Dentuvo Dentures from the original digital scan.

Benefits for your practice

1. Streamlined workflow with digital reprints.
2. Increased patient satisfaction and loyalty.
3. Additional revenue with minimal effort.
4. Reliable replication from the original digital scan.
5. An accurate fit with no adjustments needed.
6. Fast turnaround times, saving you time.
